

Appl. No. 10/763,146
Amdt. dated July 27 2005
Reply to Office action dated Apr. 27, 2005

Remarks

Applicant thanks Examiner Parekh for the careful examination of this application and the clear explanation of the claim rejections. In response, applicant cancels claims 1-21 and inserts new claims 22-26. The new claims are fully supported in the original specification and the original drawings and they distinguish over the Neidrich patent. Applicant respectfully requests further examination of this application and timely allowance of claims 22-26.
